FEEDBACK

UCT PRICES

4.1 If there is a Product pricing error which is obvious and unmistakeable and could have reasonably been recognised by you as a mispricing, we do not have to provide the Products to you at the incorrect price.

4.2 We may change our prices at any time. Any such changes will not affect the price of any orders you have placed with us where we have already emailed you to confirm the Products are being shipped to you.

5. PURCHASING PRODUCTS FROM THE BODY SHOP ONLINE STORE

5.1 You may place an order to purchase a Product advertised for sale on The Body Shop Online Store by navigating through the checkout process and clicking on the 'Submit Order' button on the cart page. Once you have clicked on the "Submit Order" button, you have made a binding offer for the sale of the relevant Product ("**Offer**").

5.2 On receipt of your Offer:

a. Order: we will contact you by email to confirm we've received your order ("**Order Confirmation**"). If you are paying by credit or debit-card, we will send you the Order Confirmation once payment has been authorised by your bank ("**Authorisation**"). If you are paying by some other preferred payment method that does not offer a similar Authorisation mechanism (e.g. gift card, PayPal, Klarna) we will send you the Order Confirmation directly (without Authorisation).
b. Dispatch: We will contact you again separately to confirm that your order has been dispatched to you ("**Dispatch Confirmation**").
c. Contract Formation: We are deemed to have accepted your Offer ("**Acceptance**"), and a corresponding binding contract of sale for the Product you have ordered is concluded between you and The Body Shop ("**Sale**") only upon the Dispatch Confirmation.

5.3 Time of Payment

a. With Authorisation: For credit or debit card payments we normally collect payment after Acceptance (i.e. after the Sale is concluded) upon Dispatch Confirmation (based on the Authorisation received from the bank when you placed the order).
b. Without Authorisation: For other payment methods that do not offer a similar Authorisation mechanism, the payment is normally collected at the point when you place the order, before the Dispatch Confirmation (i.e. before the Sale is concluded). Where, in similar cases, we collect payment in advance (prior to Acceptance), this must be treated as a pre-payment in anticipation of the prospective Sale and should not be construed as implied "acceptance" on our part. Our formal Acceptance only happens (and the Sale is only concluded) according to section 5.2(c) upon the Dispatch Confirmation, without exception, irrespective of the exact timing of the payment, which may vary slightly based on your chosen payment method.

5.4 There may be situations when Body Shop may be unable to process your order if, for example:

a. the Product you ordered is discontinued or no longer available;
b. your payment card (or other chosen payment method) does not give authorisation for the payment of the purchase price or we determine that your credit reference is unsatisfactory;
c. you want to ship to a freight forwarding company address, for example: Self Storage, Address Pal and/or Storage Wizard and they are unable to accept delivery; and/or
d. you are located outside of our delivery areas, (see section 7).

5.5 We may choose not to accept your order for any reason, including if the Product was mispriced by us or if you do not meet the eligibility to order criteria set out in section 2 above.

5.6 If we are either unable to process or choose not to accept your order, we will let you know as soon as possible and refund any sums you have paid (e.g. under section 5.3(b)). The Body Shop will not be liable to you or to anyone else for any loss or damage directly or indirectly resulting from such refusal or inability to process your order.

5.7 If our supply of your Product is delayed by an event outside our control, we will contact you as soon as possible to let you know and do what we can to reduce the delay. As long as we do this, we won't compensate you for the delay, but you can contact our Customer Service Team using the details below to end the contract and receive a refund for any Products you have paid for in advance, but not received.

6. PAYMENT METHODS

6.1 We accept a range of payment methods for purchases made online and in store. Accepted methods may include debit cards, credit cards, gift cards, PayPal, Klarna, and other payment services as listed at checkout.

6.2 When you provide payment information, you confirm that:

a. You are authorised to use the chosen payment method.

b. All payment details supplied are accurate and valid.

c. You will promptly update any information that changes (e.g., expired cards).

6.3 Payment is taken at the point of purchase (as in more detail stated in section 5.2) unless otherwise stated. For card payments, your bank or card issuer may place a pre-authorisation or hold; we are not responsible for any associated fees.

6.4 Third party payment or credit providers (including PayPal and Klarna) are independent of The Body Shop. Their own terms, conditions and privacy notices apply when you use those services. The Body Shop is not responsible for their decisions, credit checks, eligibility assessments, credit approval, service availability, or any fees charged by your bank or payment provider, or the operation of their instalment products. If you use any of these external payment services, your personal data may be shared with them in accordance with our Privacy Policy and their own privacy terms. The Body Shop does not provide these credit or payment services and does not earn any commission or benefit when you use such third party (payment or credit) services.

7. DELIVERY & RETURNS

7.1 Please refer to the terms available here: Delivery & Returns - The Body Shop

8. BULK POLICY

8.1 The Body Shop's retail sales policy towards bulk ordering is such that we will only sell to genuine consumers. This bulk ordering policy covers all markets, branded stores, outlets, shop-in-shop locations, websites (including The Body Shop Online Store) and platforms. Unauthorised third party traders, posing as consumers, to purchase The Body Shop merchandise in bulk for commercial re-sale through unauthorised channels may be blocked or subsequently have their order cancelled. For example:

a. we may only allow 10 units of the same type of Product per transaction;

b. we may only allow a maximum of 50 Products per transaction; and/or

c. we may only allow a maximum of £500 per week per purchaser or per address or per household, or per payment method.

8.2 This bulk policy may be adjusted by The Body Shop as required at any time.

9. YOUR RIGHT TO CANCEL - IF YOU CHANGE YOUR MIND

9.1 Your Statutory Rights: You are legally entitled to cancel your order if you change your mind (irrespective of whether the Products are faulty or not), provided that you exercise your right within 28 days of the date we deliver the relevant Product – however we take a more generous approach than this (see section 8.2 – “Your Money Back Guarantee”).

9.2 Your Money-Back Guarantee: Over and above your legal right to cancel (section 8.1) we're committed to making sure you love everything you buy from us. If you're not completely happy, we’re here to help. We'd love the chance to recommend to you an alternative Product or your money-back guarantee means you can return any product (subject to section 8.5) within 45 days of the date we deliver the relevant Product, with your receipt).

9.3 Your right to cancel if you change your mind (under sections 8.1 or 8.2) doesn't affect or limit your statutory rights if Products are faulty or if they are not as described (see section 9 below).

9.4 It is important to note that if you choose to cancel your order you will be expected to return the Products in the same condition in which you received them.

9.5 Certain Products are not suitable for return due to health protection and/or hygiene reasons, this includes lipsticks, roll on perspirants or other such Products. If the Products are unsealed or have been opened then you will not be able to cancel or return the order for health protection purposes. Please note however that this exclusion does not apply if the Products are unsealed, damaged or faulty when you receive them (see below).

9.6 You are required to return any Products in your order that have been sent to you free of charge as part of a promotion in order for us to process your return within 14 days after cancelling your order (we do not need to receive them within 14 days; you just need to have sent them off to us within that time).

10. DAMAGED OR FAULTY PRODUCTS AND INCORRECT ORDERS

10.1 You may exchange your Products or obtain a full refund if the Products in your order are damaged or faulty upon receipt, or if the Products you have received are not the Products you originally ordered.

10.2 We are under a legal duty to supply Products that are in conformity with this contract and nothing in these Conditions will affect your legal rights. The UK Consumer Rights Act 2015 says goods must be as described, fit for purpose and of satisfactory quality. If the Products you buy from The Body Shop Online Store are faulty, then you may be entitled to a refund or replacement.

11. REFUNDS

11.1 When returning Products under section 8 (if you have simply changed your mind), we will refund:

a. the full purchase price; and

b. the delivery charges (the cost for initial delivery to you).

11.2 When returning Products under section 9 (damaged or faulty Products or incorrect orders) we will refund:

a. full purchase price of the Product (unless you opt to receive an identical replacement item);

b. delivery charges (the cost for initial delivery of the Product to you); and

c. return charges (the cost for returning Product to us) upon the production of a receipt. Alternatively, we can arrange to collect your Product from you at our cost please arrange this by contacting our Customer Services Team using the details below.

d. The cost of dispatching a replacement item to you, in case you have opted to receive a replacement item.

11.3 Once your returned goods are received by us, it usually takes 3-5 working days for funds to be returned to the original payment method. However, this can take up to 14 days depending on your card issuer. If you paid using PayPal, funds are usually returned on the same working day.
